

Tobogganing in Valle Isarco

In the **Valle Isarco Valley**, there are **42 toboggan runs**, with an average length of about 2 km. There is a wide choice ranging from two hundred metres (for children) to 11,7 km.

Along the runs you will find characteristic huts and Alpine refuges and huts that invite you to take a well-deserved break.

Truly unique experiences are the group runs in the moonlight or along **torch-lit tracks**. Toboggans can be rented at the starting point of many runs.
